

Commander, Carrier Strike Group 15

Our command is founded upon a commitment to excellence.

Our **mission** is to direct, execute, mentor, and assess at-sea live synthetic and academic integrated and advanced training of Carrier Strike Group, Expeditionary Strike Group, Amphibious Ready Group, and Surface Action Group Commanders, their Warfare Commanders, Warfare Coordinators, staffs, Surface Independent Deployers, Allies, and other designated groups, enabling them to operate in integrated, joint, and coalition environments in the conduct of combatant and operational commander tasking.

We provide a realistic presentation of the operating environment across all warfare domains. We improve that presentation based on the current threat environment, and current operations in Fleet Areas of Responsibility. We provide warfighters with the proper tools to win the high-end fight in the most challenging scenarios.

We coordinate across the Navy enterprise with U.S. Fleet Forces Command, Commander, U.S. Pacific Fleet, Numbered Fleets, Type Commands, and other stakeholders, to accomplish objectives outlined in the Fleet Readiness Training Plan.

We provide a recommendation for deployment certification at the conclusion of each Fleet Readiness Training Plan cycle. We also provide recommendations to improve Fleet Training to appropriate Type Commanders and Warfare Development Centers.

Our **success** is defined as the operating force's ability to successfully carry out every aspect of deployed operations, from "day to day" operations to readiness to conduct prompt and sustained combat incident to operations at sea. This defines our performance as mentors, trainers, and assessors.

Train, Mentor, Assess
